

Bloom Arts Foundation (BAF) provides music and dance education that sparks joy, creativity, and belonging in PreK-6th grade students in Los Angeles County and abroad through international partners. Our learner-centered curriculum meets California Arts Standards and draws from Orff Schulwerk, Gordon Music Learning Theory, and The Elements of Dance.

Funding Available!

💡 Schools can use Prop 28 and other public funding to support music & arts education from organizations like us. We'll help you navigate funding options!
